Profile

I am a dedicated front-end developer with over three years of industry experience, specializing in HTML, CSS, and JavaScript. I also have foundational knowledge of SQL, PHP, WordPress, and Webflow. I am eager to expand my expertise, work with modern frameworks and methodologies, and continuously develop my technical skills. My goal is to contribute to innovative projects in a role that fosters growth and learning.

Key Skills

- **Web Development:** Creating responsive, user-friendly applications.
 - **Programming Languages:** HTML, CSS, JavaScript, PHP, SQL.
 - **Problem Solving:** Able to achieve targets and address complex challenges.
 - **Adaptability:** Quick to learn modern technologies and methods.

Employment History

Web Developer – Ascend | *December 2024 – January 2025*

Ascend is a small marketing company based in Cardiff specialising in SEO. I was employed to assist with the new web development side of the business which unfortunately didn't take off and they decided to outsource any upcoming work. My projects included:

- Redesign of two websites using Figma.
- Update an existing website using Webflow.
- Update the web proposal form template.

Front-End Developer – CVP | *July 2021 – December 2024*

CVP is a leading provider of broadcast and professional video solutions in the UK and Europe. In this role, I have worked extensively with HTML, CSS, JavaScript, PHP, and SQL, contributing to various projects, including:

- The main e-commerce website, which I helped make responsive and user-friendly.
- Internal systems and customer portals.
- The London showroom website and custom HTML email templates.

Project Administrator – Noved | *September 2020 – July 2021*

Worked on the Tesco account for their electric vehicle rollout. Responsibilities included:

- Administrative tasks, invoicing, and project support.

Guest Relations & Aftercare Executive – Juliots Well Holiday Park | *July 2018 – September 2020*

- Managed aftercare services, scheduled maintenance, and managed administrative tasks.

Paralegal – *Toller Beattie LLP | Feb 2016 – July 2018*

- Assisted in the commercial conveyancing department, including administrative duties for the President of the Devon and Somerset Law Society.

Fertiliser Trader – *Mole Valley Forage Services | Feb 2011 – Feb 2016*

- Advised customers on mineral deficiencies and livestock health.
- Managed fertiliser trading for Devon and Cornwall. Led a team of sales reps, supported them in administrative tasks, and trained new team members.

Telesales Manager – *Absolute Debt Recovery | Jan 2009 – 2011*

- Managed a team of five, arranged client meetings, and provided administrative support.

Various Roles – *The Soap Kitchen | 2006 – 2009*

- Performed administrative tasks, managed stock control, supervised new staff, and was involved in product creation.
